Why choose RENU28® Gel?

RENU28® Gel is powered by patented redox signaling molecules, a technology that supports cell communication. When applied topically in gel form, you're getting something no other skin care product offers: enhanced cell signaling for tighter and more thoroughly nourished skin.

Leading skin care gel

- Greasy
- Strong odors or bothersome aromas
- Burns skin and sensitive areas
- Not suitable for sensitive skin or all ages

RENU28® with redox signaling molecules

- Non-greasy
- NO strong odors or bothersome aromas
- CALMS skin and sensitive areas
- SAFE for sensitive skin and all ages
